RE: Water and Sanitary Sewer Tapping Fees

Dear Plumbers and Homebuilders:

Public Works/Utilities staff members have completed our annual review of the cost of making taps to our water and sanitary sewer systems and for permit fees to ensure we are recovering the City's costs. This is to advise you effective January 1, 2006, the new wastewater tap and water tap fee schedule identified below will be used.

SUMMARY OF TAPPING AND PERMIT CHARGES

	<u>Current</u>	<u>Fees Effective 01/2006</u>
Wastewater Taps	\$113 + tax if replacement	\$113 + tax if replacement
Water Taps		
Replacement Taps		
3/4" Service	\$ 55 + tax	\$112 + tax
1" Service	\$ 60 + tax	\$121 + tax
Permit Fees for New Services (Includes meters with radio read device)		
3/4" Service (Includes Tap)	\$377	\$336
1" Service (Includes Tap)	\$452	\$362
1-1/2" Service*	\$581	\$668
2" Service*	\$751	\$878
3" Service w/compound meter*	\$1,430	\$1,528
4" Service w/compound meter*	\$1,916	\$2,010
6" Service w/compound meter*	\$2,917	\$3,012
6" Service w/fire meter*	\$6,320	\$6,376
8" Service w/fire meter*	\$8,094	\$8,136
10" Service w/fire meter*	\$10,883	\$10,901

*Does not include the cost of tapping sleeve and valve.

These fees reflect the most recent price quotes for meters and automated reading modules received by the City. The above permit fees for new water services includes the cost of 7 units of construction water for meters 2" or smaller. Any additional usage over 7 for 2" or smaller meters will be billed to the homebuilder or plumber.

Also, please be advised that the City Public Works/Utilities Department will continue to assess a \$30 fee for taps cancelled after 3:00 p.m. the day prior to the scheduled tap, except for weather related cancellations.

Should you have questions relative to these fees, please do not hesitate to contact Doug Luedtke at 441-7554, Steve Owen at 441-5925, or Scott Vrbka at 441-7539.

Sincerely,

Margaret E. Remmenga
Public Works/Utilities Business Manager
